

Speech-Language Pathologist/Therapist (Full-time, Part-time/Freelance)

ChildPsy Assessment & Learning, a private pediatric clinic located in an exclusive educational/residential community of Hong Kong, is seeking a Speech-Language Pathologist to accommodate an expanding practice. We serve preschool and school-age children from 18 months to 18 years old with developmental and learning needs.

The ideal candidate will have the following:

- Undergraduate or Master's Degree in Speech Language Pathology or equivalent from a reputable university
- Practicing certificate or license in Speech and Language Pathology (e.g., CCC-SLP, HKAST)
- Minimum 1 year full-time experience in a school and/or a multi-disciplinary clinic setting
- Native or close to native fluency in English, preferably bilingual/trilingual in English and Cantonese/Mandarin
- Excellent communication and interpersonal skills with parents and caregivers
- Ability to work independently and collaboratively
- Experience in supervising Junior Speech Therapists is preferable
- Experience in planning and conducting social communication groups
- Experience in collaborating with teachers and schools
- Passionate about working with young children and their parents
- Highly competitive salary including benefits and continuing education opportunities will be offered to the right candidate
