

### **Speech-Language Pathologist/Therapist (Part-time/Full Time)**

ChildPsy Assessment & Learning, a private pediatric clinic located in an exclusive educational/residential community of Hong Kong, is seeking a Speech-Language Pathologist to accommodate an expanding practice. We serve preschool and school-age children with developmental and learning needs.

The ideal candidate will have the following:

- Undergraduate or Master's Degree in Speech Language Pathology or equivalent from a reputable university
- Practicing certificate or license in Speech and Language Pathology (e.g., CCC-SLP, HKAST)
- Minimum 2 years full-time experience working in a pediatric setting (school/clinic)
- Native in English and Cantonese (Mandarin is highly preferable)
- Excellent communication and interpersonal skills with parents and caregivers
- Experience in collaborating with teachers and schools
- Passionate about working with children and their parents
- Part-time position is preferable (2 days/week); may lead to a full-time position

To apply, please send your resume and expected salary to [hr@childpsy.com](mailto:hr@childpsy.com). For more info, please visit [www.childpsy.com](http://www.childpsy.com).
