

AMPTOM LIMITED

Audiology • Speech Therapy • Well Child Centre

Consultant Speech Therapist (Division Head)

full-time position

Amptom Limited is a newly established provider of audiology services, speech therapy services, and well child services in the private sector. We envision the development of innovative high-quality hearing and speech therapy care in Hong Kong and neighbouring cities. With strong medical and health background, our mission is to look after the communication wellbeing of individuals and their significant others.

We are seeking a full-time Consultant Speech Therapist to cope with our service development. We intend to provide speech and swallowing therapy services primarily at our centres and major private hospitals. If you are committed to providing EXCEPTIONAL health services, desire to be part of something BIG and is ready to achieve EXCELLENCE with agility, our position may be right for you.

As a Consultant Speech Therapist, your essential responsibilities include:

- Assessing and treating communication and swallowing disorders
- Providing professional training and expert consultation to the medical community and the public
- Supervising speech therapist(s) and relevant staff
- Developing and monitoring policies and procedures relevant to speech therapy
- Liaising with institutional clients and other external agencies
- Assisting the Management in service development and practice management

Our requirements:

- Bachelor or Master degree in speech therapy, with the eligibility to apply to be Member of Register of Speech Therapists accredited by Department of Health, or Full Member of the Hong Kong Association of Speech Therapists
- Minimum 7 years of relevant working experience; candidate with less experience may be considered for the position of Senior Speech Therapist
- All-rounded clinical competency in both paediatric and adult caseload
- Good command of English, Cantonese and Mandarin
- A good team player with excellent interpersonal skills, organization skills, as well as the capability of multi-tasking and attention to detail
- Practice right in private hospitals is a definite advantage

Highly competitive remuneration package will be offered to the right candidate.

Please send CV with current and expected salary to:
