

Full-time / Part-time Speech Therapist

Responsibilities:

- (a) Providing research diagnostic and treatment services for individuals with or at risk of speech and language problems
- (b) Providing assistance in conducting research and developing research clinical protocols and materials for speech and language problems.

Requirements:

- (i) A Bachelor's or Master's degree in Speech-Language Therapy or related disciplines
- (ii) Proficiency in written and spoken English and Chinese (Cantonese)
- (iii) Good interpersonal skills
- (iv) Experience working with children and conducting research are preferred.

Appointment will initially be made on a 1-year contract, renewable subject to good performance and mutual agreement.

Please submit your application letter and full resume with availability, current and expected salary directly to hkbrain@cuhk.edu.hk.
