

Work type: Full-time

Research Assistant II in the Faculty of Education (Ref.: 507959) (to commence as soon as possible for one year, with the possibility of renewal subject to satisfactory performance)

Applicants should possess a Bachelor's degree or above in Speech & Hearing Sciences, Psychology, Linguistics, or a related discipline. They should have a good command of spoken Cantonese and English, and capability in one or more of the following areas: (1) experimental design (especially E-Prime and Python), data collection, data analysis (especially SPSS), and (2) project administration. Knowledge of music education and/or Hong Kong Sign Language will be an advantage.

The appointee will work under the Academic Unit of Human Communication, Development, and Information Sciences. He/She will be responsible for experimental design, data collection and analysis, project management, and other duties as assigned.

A highly competitive salary commensurate with qualifications and experience will be offered, in addition to annual leave and medical benefits.

The University only accepts online application for the above post. Applicants should apply online and upload an up-to-date C.V. Review of applications will start as soon as possible and continue until **September 30, 2021**, or until the post is filled, whichever is earlier.

Advertised: Aug 10, 2021 (HK Time)

Applications close: Sep 30, 2021 (HK Time)
