## FAQ's

**What is the caseload:** Kids, kids and more kids. All ages but predominately kindergarten and primary school. We work with all types of kids with all types of strengths and challenges.

**Where will I be working:** This is a job for someone who wants to work in a beautiful clinic but also has a school-based caseload. We work in both environments and are lucky enough to work in a range of International Schools including HK Island, Kowloon, and the New Territories.

**Are there any benefits for me:** Besides working in a dynamic team with great families, we love training and making sure you are developing your professional skills is important to us. You will receive access to supervision, shadowing and case discussions. Additionally, we always try and support alternative professional development opportunities.

**Do you have to work on a Saturday:** Not if you don't want to. There may be the odd day now and then, but we want this job to work for you and your lifestyle and family.

**Mong Kok is a busy place, is it easy to get to your clinic?** It really is quite simple, the MTR is a 5 minute walk and there are plenty of buses along Nathan Road. We are located on the quiet end of Mong Kok Road which is a bonus.

**Do I need a work visa?** Yes, this is a requirement for the job.

**Do I need to speak Cantonese?:** No you don't but it would be an advantage.
