

Annual Report 2017-2018

**THE HONG KONG ASSOCIATION
OF SPEECH THERAPISTS**
香港言語治療師協會

Message from Chairperson

It is my pleasure to present the Annual Report 2017-2018 for The Hong Kong Association of Speech Therapists (HKAST).

The total number of members of HKAST reached the maximum of 778 in the year 2017-2018, which is the highest number since the establishment of HKAST. The significant increase in the number of full members accounted for the rise in total number of members.

In April 2018, speech therapist became the first profession accredited under the Accredited Registers Scheme for Healthcare Professions (AR Scheme). In particular, Hong Kong Institute of Speech Therapists (HKIST) is the accredited body for administering the Register of speech therapists. Hence, in this year, HKAST focused on raising public awareness towards speech therapy and organizing continuing education events for speech therapists.

Several successful professional development events were held this year. We had also filmed two educational video of speech therapy to raise public awareness. Furthermore, HKAST collaborated with different organizations in public and professional events, including Hong Kong Parkinson's Disease Foundation and Federations of Medical Societies of Hong Kong.

It has already been my eighth year being the Committee member in HKAST, and I am pleased to serve as the chairman in HKAST for the fourth year. Above all, I would like to express my genuine gratitude to my fellow Committee members, who are all passionate and devoted, and to all members who participated in our events and continuously supported HKAST. My vision remains unchanged in HKAST: To serve the public passionately with the speech therapy profession, and to unite all speech therapists in Hong Kong.

Lai King Lok, Joshua
Chairperson, HKAST 2017-2018

Professional Development Events

Introduction to PROMPT Technique Workshops

Two concurrent Introduction to PROMPT Technique workshops were held on 9th-11th December 2017. We were glad to have Ms Kathryn Daniels, Ms Anne Walker, Dr Roslyn Ward and Ms Jerilee Casas as course instructors. Over 50 speech therapists attended the workshop and all the participants enjoyed the workshops and the practical sessions very much.

Bridging PROMPT Technique to Intervention Workshop

Ms Jerilee Casas stayed to hold a Bridging PROMPT Technique to Intervention Workshop for us on 15th-17th December 2017. Around 15 speech therapists who were experienced in PROMPT techniques participated in the workshop. Their feedbacks were all encouraging.

The Selective Mutism: Clinical Psychology Perspective on Assessment and Intervention

This year we were honored to have two local speakers to share with us their expertise and valuable experiences. Dr. Cheryl So held a seminar on “The Clinical Psychology Perspective on Assessment and Intervention of Selective Mutism” on 19th January 2018. Over 80 participants attended. Feedbacks were positive, with attendants finding the sharing of clinical intervention of selective mutism from a clinical psychologist very useful. The information served to provide some directions and considerations for speech therapists to look for when encountering suspected cases of selective mutism, in which case referral to clinical psychologists may be needed.

Speech Therapy Expert Seminar Series: Get Stuck in Social Communication Training for people with ASD... Been there, let's share!

Ms Penita Cheung shared her fascinating and valuable experiences on “Social Communication Training for People with ASD” on 19th August 2018. Pleasing and promising feedbacks were received more than 70 participants whom had attended the seminar. The sharing of Ms Penita Cheung’s clinical experiences, insights on training directions and examples were most cherished by participants. The enthusiastic, genuine and inspiring sharing would undoubtedly illuminate new perspectives and ideas on the social trainings of people with ASD.

Public Awareness

World Swallowing day Press Conference

In November 2017, HKAST collaborated with Mighty Oaks Foundation to send out a questionnaire to public to get to know their knowledge towards dysphagia. A press conference was held on 10th Dec 2017 at Hong Kong Gerontology Society to announce the result of the survey. We were honoured to have Mr Joshua Mak to represent us in the press conference. Newspaper articles also reported the results of this public dysphagia survey.

Educational videos

To promote the roles of Speech Therapists in the management of different diseases and disorders. HKAST has filmed two educational videos. Topics of the educational videos include “Speech Therapy on Parkinson’s Disease” and “Speech Therapy on Language Disorders after stroke”. The video on Parkinson’s Disease will be published on HKAST’s website, Facebook page and YouTube channel in October 2018, where the one of language disorders after stroke is still being edited.

We would like to thank everyone who has involved in and supported the filming of this two videos, in particular the patients for their sincere sharing in the videos, and the photographers who gave us feedback on filming and editing of the videos. Special thanks to Dr. Lorinda Kwan for casting and sharing of her expert knowledge in the video.

二零一七年十月二十一日

香港言語治療師協會對二零一七年施政報告的意見

有關公共衛生規管

保障市民健康和維持公眾對專業醫護人員的信任是言語治療師協會和政府的共同目標。對於政府積極推行的「認可醫療專業註冊計劃」，為言語治療師進行認證程序，並以此為基礎，加緊着手引入法定註冊制度，言語治療師協會對此表示歡迎。

有關康復服務

施政報告中提到政府將繼續增加學前兒童服務。言語治療師協會對此表達歡迎。需求殷切的學前兒童服務，因着政府近年的不同措施，例如：「關愛基金」和「學津服務」，輪候情況已略為改善；對於政府能急市民所急，繼續增加學前兒童服務，言語治療師協會表示支持。另外，政府計劃為中度弱智人士宿舍、嚴重弱智人士宿舍、嚴重肢體傷殘兼弱智人士宿舍及嚴重殘疾人士護理院提供言語治療服務，本會對此感到高興。

有關安老服務

我們樂見政府以新思維、新角度去處理人口高齡化帶來的挑戰。施政報告中提到政府將推行一個為期四年的試驗計劃，成立以地區為本的醫療專業團隊為私營安老院舍和殘疾人士院舍提供外展服務；但可惜團隊暫未見包含言語治療師。吞嚥障礙是長者常見的問題並可引致肺炎甚至死亡。研究證實，言語治療師提供的服務能協助長者安全進食，並減低長者因肺炎而重複入院的機會。

首先，言語治療師協會建議政府在新推行的四年試驗計劃中，加入言語治療師的編制。

第二，長遠而言，在「安老院舍條例」的規定團隊當中，言語治療師協會建議政府着手研究在編制中加入言語治療師。

如傳媒對相關議題有任何查詢，歡迎透過電郵 hkast@speechtherapy.org.hk 聯絡我們。

香港言語治療師協會
對 2018-19 年度財政預算案的回應

財政預算案就著一系列改善社會福利和醫療衛生的措施公佈了所預算的開支。香港言語治療師協會有以下回應：

1. 香港言語治療師協會樂見本屆政府認同市民的需要、聆聽專業團體提出的意見並著力落實施政報告的政策。
2. 本屆政府在施政報告中提出新措施，為接受院舍住宿照顧或社區照顧服務的有需要長者加強言語治療服務。財政預算案預計此措施 2018 至 2019 年度的全年撥款為 3100 萬元，由 2019 至 2020 年度起全年撥款為 6300 萬元（除經常開支外，此措施亦涉及有時限的總撥款 3 億 4300 萬元）。另外，財政預算案表示每年將會增撥 6 億 6000 萬元，改善康復服務，包括增加 2469 個康復服務名額、購買 500 個私營殘疾人士院舍宿位、為智障人士宿舍和嚴重殘疾人士護理院提供言語治療服務等。本會對財政預算案的預算開支和撥款表示歡迎。
3. 本會期望以上服務和撥款未來能成為恆常措施。
4. 本會建議以上措施可配合本年度食物及衛生局推行的認可醫療專業註冊計劃，加強對服務使用者的保障。
5. 本會樂意繼續和特首、有關政府部門、及各持份者保持交流並提供專業意見，協助制定措施框架，讓新措施更系統化地落實和運行。
6. 另外，本會亦繼續倡議將言語治療師納入為長者安老院舍的常規編制，讓長者得到長遠和穩定的治療服務，實踐「老有所養、老有所屬、老有所為」。
