# Annual Report

# 2020-2021

# MESSAGE FROM CHAIRPERSON

**Lam Jody Pui Yee**  
**Chairperson, HKAST 2020-2021**

It is with great pleasure and immense honour that I have the opportunity to serve our community as the chairperson of the Hong Kong Association of Speech Therapists (HKAST). First of all, I would like to express my heartfelt gratitude to my fellow Committee members. They are very passionate, innovative and energetic. They paid great effort and devoted much time to make HKAST a better organization. I would also like to thank our honorary advisors and fellow members for their continuous support to HKAST.

This year has been a difficult year for HKAST due to the pandemic condition and political issues. Despite all the challenges, HKAST organised webinars and online courses to enhance the professional knowledge for fellow members. We produced educational videos and posters to raise public awareness towards speech therapy. We improved the members' benefits by exploring more opportunities to collaborate with different enterprises. We upgraded our website and established new portal system in order to improve the usage for members and general public. Moreover, we expanded our member networking by establishing the mentorship programme. We aim to unite our profession and strengthen our bonding.

We witnessed the expansion of speech therapy profession in Hong Kong over the years, thanks to the enhancement of speech therapy service in mainstream schools and in residential care homes for the elderly in community. We are pleased to observe a significant growth in demand for speech therapists. We hope that our profession will continue to grow stronger and serve the public with our passion and love. Once again, I would like to thank you all for the continuous support and encouragement. Our team will continue to work hard and strive for the best.

# PROFESSIONAL DEVELOPMENT

All our professional development events were conducted as webinars on the online platform due to the pandemic situation. We are very happy with the participation rate and the amazing feedbacks from our members!

## Allied Health Webinar Series:

### Lingual Frenectomy

*Speaker: Dr. Kenneth Luk*

*16 December 2020*

The function of tongue in swallowing, breathing, and craniofacial development are gaining interests both in medicine and dentistry. Tongue tie has long been associated with the issues in breastfeeding and articulation of sound. We are honoured to have invited Dr. Kenneth Luk, the secretary of the Asia Pacific Division of World Federation for Laser Dentistry, to share about the importance of the tongue and lingual frenectomy.

## Expert Webinar Series

### Bilingualism and Language Disorders: What we know and what we can do

*Speaker:*

*Dr. Elizabeth Kay-Raining Bird*

*28 January 2021*

We are honoured to have invited Dr. Elizabeth Kay-Raining Bird to talk about the nature of bilingualism and current evidence on bilingualism and biliteracy in children with Developmental Language Disorder, Autism Spectrum Disorder or Down syndrome. The webinar was very successful and received so many good feedbacks from our members!

## ATTENTION AUTISM

**ABOUT THE APPROACH**  
An intervention using simple, fun and effective strategies to support children with autism to engage in communication. The Attention Autism approach focuses on developing attention and listening skills, offering children "an irresistible invitation to learn".  
Attendees of this workshop will learn to run the 4 stages of the Attention Autism programme.  
The Attention Autism programme targets the teaching of ATTENTION, COMMUNICATION and SOCIAL INTERACTION SKILLS.

**FOUR STAGES OF ATTENTION AUTISM**  
Stage 1: Focusing Attention  
Stage 2: Sustaining Attention  
Stage 3: Shifting Attention  
Stage 4: Focusing, Sustaining and Shifting Attention

**ABOUT THE ONLINE TRAINING**  
Date: 22,23 February, 12,15,29 March, 2021  
Time: 9:00PM - 10:15PM (HKT)  
Online platform: Zoom  
Cost: HKD\$2300 for members only  
Application deadline: 15 February, 2021

**ABOUT THE SPEAKER**  
**GINA DAVIES**  
Specialist Speech and Language Therapist: Dip RCSI, RHC reg. RSA specific learning difficulties; Advanced Certificate in Education: Pupils with autism.

GINA turned her passion for communication development into practical and joyful intervention strategies for parents and professionals dealing with Autism. She has worked with hundreds of autistic children in schools, nurseries and residential settings, and directly with parents, carers and families.

**Provide an irresistible invitation to learn**

**Give children a reason to communicate**

**SEATS ARE LIMITED (ONLY 25 SEATS AVAILABLE) FIRST COME, FIRST SERVED!**

**THIS WORKSHOP WILL BE CONDUCTED IN ENGLISH.**

For enquiries, please contact us at [pd.hkfst@gmail.com](mailto:pd.hkfst@gmail.com) or go to our webpage: [www.speechtherapy.org.hk](http://www.speechtherapy.org.hk)  
Join us as HKAST member to enjoy the privileged course fees!

## Attention Autism

Speaker: Ms. Gina Davies

February to March 2021

Attention Autism is an intervention using simple, fun and effective strategies to support children with autism to engage in communication. This approach focuses on developing attention and listening skills, offering children "an irresistible invitation to learn". There were 6 live online sessions and 2 individual coaching feedback sessions. The participants enjoyed the sessions very much!

## Allied Health Webinar Series: Practical Tips for Speech Therapists in Management of Clients with Hearing Impairment from Ages 0-100

Speaker: Dr. Iris Ng

12 May 2021

We are honoured to have invited Dr. Iris Ng, the Chief of Division of Audiology, Department of Otorhinolaryngology, Head and Neck Surgery, The Chinese University of Hong Kong to be our speaker. She shared many practical tips for speech therapists in management of, as well as communicating with, clients with hearing impairment in various clinical settings. The sharing of her professional knowledge and experiences was most cherished by the participants.

(Join us as HKAST member to enroll in our webinar!)

# PROFESSIONAL DEVELOPMENT

## Expert Webinar Series **Differential Diagnostics in Fluency Disorders**

Speaker: Dr. Yvonne Van Zaalén

11 June 2021

We are honoured to have invited Dr. Yvonne Van Zaalén, who is the Associate Professor at Fontys University Eindhoven. The underlying mechanisms of disfluency was explained, assessment was demonstrated and treatment options were discussed in the webinar.

## Collaboration with allied health professionals **Certificate course of Breakaway techniques**

(Co-host: Hong Kong Physiotherapy  
Association Limited)

Speaker: Mr. Simon Tse (PT)

19 June 2021

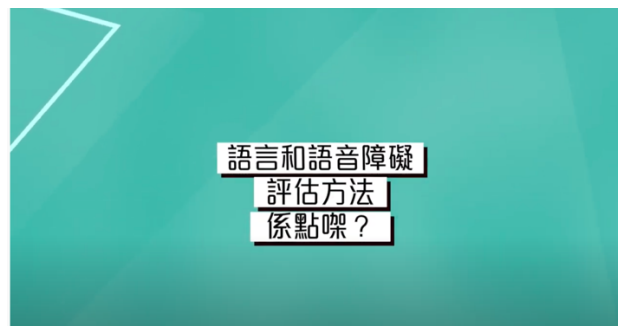

We are delighted to have invited Mr. Simon Tse, who is a physiotherapist, to share the practical skills to promote legally defensible approaches and develop basic competencies in response to assaultive behaviours using breakaway techniques. This course was ideal for members who may be at risk of physical assault at work. The course was successfully held!

# PUBLIC AWARENESS

## Educational Videos

To promote the roles of speech therapists in the management of different diseases and disorders, HKAST has published a series of educational videos on “Speech Therapy on Paediatric Language Impairment”. We are honoured to have invited Prof. Kathy Lee to be our guest speaker in this video series. Another series of videos on “Augmentative Alternative Communication (AAC)” is being edited and will be published by fall of 2021.

We would like to thank everyone who has involved in and supported the filming and preparation of these videos, in particular, Prof. Kathy Lee for their sharing of expert knowledge and the patients and caregivers for their sincere sharing. We would also like to thank our photographers and production crew who provided professional comments on filming and video editing.

# PUBLIC AWARENESS

## Public Health Talk

HKAST was invited to deliver a public health talk to general public in the Gerontech and innovation expo 2020. We would like to thank Mr. Joshua Lai for being our guest speaker and share his expert knowledge in dysphagia. There were positive feedback from the general public.

## Educational Posters/Statements

HKAST has its own Facebook page and Instagram. Our committee had created a series of educational posters, which were posted on Facebook, Instagram and our website regularly. We issued statement to clarify the role and duty of speech therapists when necessary.

**THE HONG KONG ASSOCIATION OF SPEECH THERAPISTS**  
香港言語治療師協會

MAILING ADDRESS: ROOM 601-25, 6/F, KIMBERLEY PLAZA,  
45-47 KIMBERLEY ROAD, Tsimshatsui, Kowloon  
EMAIL: HKAST@SPEECHTHERAPY.ORG.HK FAX: 2012 9107

本會樂見近日有不少公眾人士對言語治療服務表示關注，惟部份公眾可能對言語治療有誤解或疑問，本會特藉此文章讓公眾人士更進一步了解言語治療服務。

**言語治療的專業認可**

本會一直關注本港言語治療的水平，任何人欲取得言語治療師資格，必須修畢本地或海外大學相關學位，並完成足夠的臨床實習。

現時香港共有四個獲香港言語治療師公會(HKIST)認證的言語治療學士/碩士學位課程，包括：香港大學言語及聽覺科學理學士課程、香港理工大學言語治療碩士課程、香港教育大學教育言語及語言病理學理學碩士課程、及香港中文大學言語語言病理理學碩士課程。畢業於上述四個學位課程之言語治療師均有專業資格於本港執業。此外，畢業於海外地區的言語治療學位課程之人士，可透過本會(HKAST)認證是否合資格成為本會會員，或透過香港言語治療師公會(HKIST)的嚴謹審核制度而成為衛生署認可言語治療師名冊會員。

雖然本港暫時未有法例監管言語治療師註冊執業制度，但自2018年起，言語治療已成為「認可醫療專業註冊先導計劃」下獲認可的專業，香港言語治療師公會(HKIST)獲授權為認可醫療專業團體，負責管理言語治療師名冊，獲衛生署授權可於其網頁及發給予會員的註冊證明書上使用「認可標誌」，讓公眾容易識別。言語治療師公會會員亦可在名片上使用「衛生署認可言語治療師名冊會員」的名銜。

香港言語治療師公會會員或衛生署認可言語治療師名冊會員，均擁有獲專業認可可在本港提供言語治療的資格。公眾人士在選擇言語治療服務時應留意治療師是否有其專業資格，並可查閱本會網頁搜尋刊登的全面會員名單，或香港言語治療師公會的言語治療師名冊以作參考。

**言語治療服務範疇**

言語治療師的職責包括評估、診斷、治療及預防由口腔、喉嚨、呼吸、食嚥或神經系統功能障礙引起的溝通和吞嚥障礙。言語治療師亦會因應患者的溝通或吞嚥障礙對其身心健康、社會參與及職業的影響，為患者制定個別化治療，同時亦會為患者家屬及照顧者提供支援，從而提升患者的生活質素。

**口吃**

THE HONG KONG ASSOCIATION OF SPEECH THERAPISTS  
香港言語治療師協會

f 香港言語治療師協會 HKAST    ig hkast\_ig

**什麼是 ...**

口吃是流暢障礙的一種，是因非自願的重複或停頓而無法流暢地說話。口吃的嚴重程度會因說話的環境或壓力而有所改變。

口吃大致可分為以下兩種：

- **發展性口吃**：兒童在成長時出現的口吃。多出現在三至四歲期間，其成因未明，但相信與環境因素及腦部結構和功能異常有關
- **神經性口吃**：由腦損傷引起，如腦中風、腦創傷等

f 香港言語治療師協會 HKAST    ig hkast\_ig

**特徵**

- 重複某些音或字，例如：『S... S... 食雪糕』或『我... 我... 想食雪糕』
- 說話突然停頓，例如：『我想睇... (停頓) ... 電視』
- 將音或字拉長，例如：『我 —— 想睇電視』
- 臉部或其他身體部分出現異常連帶動作

f 香港言語治療師協會 HKAST    ig hkast\_ig

**評估**

口吃的評估包括：

- 分辨口吃的種類及計算口吃的頻率
- 辨別口吃在不同情況下的變化
- 對患者日常生活的影響

**治療**

**直接治療：**

- 改變患者說話的模式或對患者的說話作出回饋，以減少口吃的情況

**間接治療：**

- 著重改變患者的說話環境，減少引起口吃的因素，從而減少口吃

f 香港言語治療師協會 HKAST    ig hkast\_ig

# COLLABORATION

## Terminology Consensus Group on Child Speech, Language and Communication Disorders

In June 2020, a special interest group on Terminology for Child Language Disorders (TCLD) was formed. The TCLD group was led by a core team including Dr. Anita Wong from the University of Hong Kong, Mr. Ashley Ng from the Child Assessment Service, Department of Health, Ms. Joanna Cheung from the Speech Therapy Service Section, Education Bureau, and Ms. Jody Lam from the Hong Kong Association of Speech Therapists. The TCLD group included members from the four speech-language therapy training programs, SLTs working for major service providers and private practice SLTs in Hong Kong.

In Hong Kong, many different terms have been used to refer to language learning problems observed in children, including language delay, language disorder, primary language impairment, developmental language disorder and specific language impairment etc. The terms and criteria used in the English-speaking countries are adopted and translated into Chinese. The lack of agreement in terminology, and diagnostic criteria, by researchers, speech-language therapists, paediatricians and educational professionals across settings has caused confusion to parents and various healthcare professions.

After literature review and rounds of discussion, the TCLD group summarised recommendations on the diagnostic terms to be used for child speech, language and communication disorders. In order to promote professional development among speech therapists and raise public awareness, HKAST will collaborate with the TCLD group to organise a series of training workshops and webinars in Fall 2021.

# SERVICE DEVELOPMENT

## Response to Chief Executive's Policy Address 2020

In the HKSAR Chief Executive's Policy Address 2020, the government continued to commit and allocate resources for enhancing speech therapy services in the community. In response to the Policy Address, HKAST had issued and sent out a response statement to related parties.

### 香港言語治療師協會對二零二零年施政報告的意見

香港言語治療師協會一直關注復康、殘疾及特殊教育的政策及議題，就行政長官早前發表的 2020 年施政報告，本會有以下回應：

#### 支援有特殊學習需要的幼兒

施政報告中提到政府將繼續增加到校學前康復服務名額，本會對此表示歡迎。自 2018 年到校學前康復服務恆常化，有特殊學習需要的幼兒輪候服務之情況已略為改善，令他們在訓練的黃金期能及早獲得所需訓練。除增加名額外，本會盼政府能繼續投放資源優化學前康復服務，如改善幼稚園 / 幼稚園暨幼兒中心的訓練場地限制問題等，令幼兒可在合適的環境接受訓練。

#### 支援自閉症學生

本會樂見政府在施政報告中，提出會在 2020/21 學年起分階段協助公營主流中小學採用經驗證有效的三層支援模式，加強支援有自閉症的學生，預計約一萬名有自閉症的學生可受惠。有關支援亦包括由非政府機構提供屬第二層支援的到校社會適應技巧小組訓練，本會對此表示歡迎，亦建議在此政策中，加入言語治療師的參與，以提升自閉症學生的溝通及社交能力，從而令他們能融入主流學校生活。

#### 支援殘疾人士

過去多年來，無論中度或嚴重智障人士的宿舍輪候時間都愈來愈長，施政報告內提到將透過私營殘疾人士院舍買位計劃，增設指定暫緩服務宿位，本會樂見政府提出此政策，短暫解決少部分殘疾人士的急切需要，本會盼政府能推出更長遠的計劃解決宿位問題，令有需要的殘疾人士得到合適的照顧及訓練。此外，本會建議政府可推出「過渡服務」，在殘疾人士等候宿位或服務轉接期間，定期為他們提供治療、康復等方面的照顧及訓練，改善或提升他們的溝通和社交技巧，及吞嚥能力，從而提升生活質素。

# MENTORSHIP PROGRAMME

The poster for the HKAST Mentorship Programme 2020-21 features the HKAST logo at the top, which includes the text 'THE HONG KONG ASSOCIATION OF SPEECH THERAPISTS' and '香港言語治療師協會'. Below the logo is a graphic of two stylized human heads in profile, facing each other. The head on the left contains a lightbulb, and the head on the right contains a plant. The text 'ENROLL NOW!' is prominently displayed in the center. Below this, it says 'Share your valuable professional experience as a mentor or learn from an experienced therapist as a mentee.' The title 'HKAST Mentorship Programme 2020-21' is followed by the 'Programme Period: January–August 2021' and 'Enrollment Deadline: 27th November 2020'. A small note at the bottom states '\*All mentors and mentees must be Full Member of HKAST.'

**ENROLL NOW!**

Share your valuable professional experience as a mentor or learn from an experienced therapist as a mentee.

**HKAST Mentorship Programme 2020-21**

Programme Period: January–August 2021  
Enrollment Deadline: 27th November 2020

\*All mentors and mentees must be Full Member of HKAST.

HKAST had established mentorship programme to create a supportive mentoring relationship between experienced HKAST members (Mentors) and members who are newly-qualified, overseas graduates, and/or with less than 4 years of working experience (Mentees), to facilitate their learning, social, and personal growth as a young professional. The mentorship programme lasted between January to August 2021. We received many positive feedbacks and suggestions from the mentors and mentees. HKAST will continue the mentorship programme in the coming year!

Mentorship programme reunion party was successfully held in July 2021. It was our pleasure to meet and greet our fellow mentors and mentees in person to share their mentorship experience and develop networking opportunities. All of us had a great time. Special thanks to GSBE for sponsoring the event!

# MEMBERS' BENEFITS

## E-eXpress

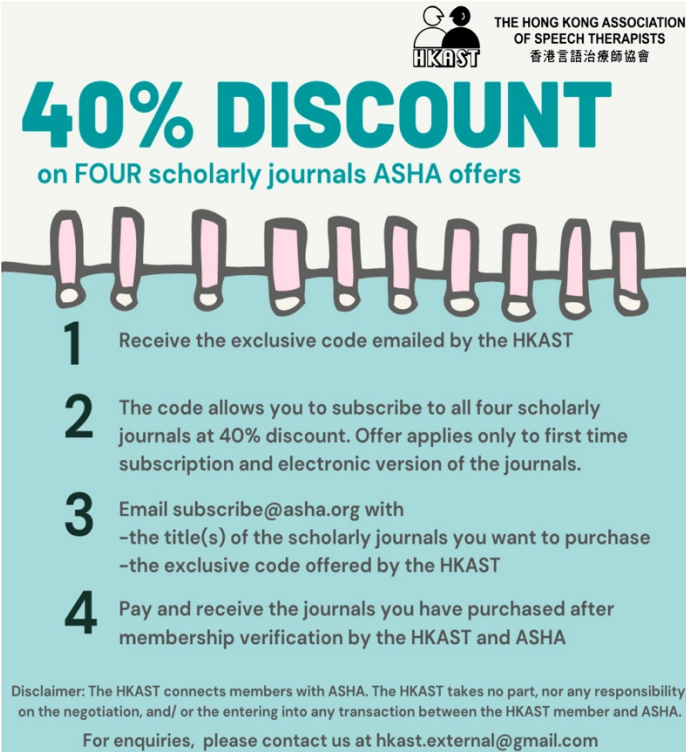

HKAST eXpress was sent out monthly to members via emails to update on recent activities, relevant continuing education events and job vacancies.

## Profession Indemnity Insurance

In 2020-2021, HKAST continued to collaborate with Charterlloyd Insurance Brokers Ltd to provide a Professional Indemnity Insurance package to our members, which protects speech therapists against any unfair allegation of professional misconduct at the hearing of professional association by support of legal presentation and its costs and expenses, which may be a huge sum of cost. Individual professional indemnity insurance is mandatory for speech therapists to register for Hong Kong Institute of Speech Therapists.

## ASHA Journal Subscription

In order to enhance professional development of our members, HKAST has connected with American Speech-Language-Hearing Association (ASHA) to provide exclusive discount for HKAST full members on subscribing four scholarly journals (American Journal of Audiology, American Journal of Speech Language Pathology, Journal of Speech, Language, and Hearing Research, Language, Speech and Hearing Sciences in Schools).

The infographic features the HKAST logo at the top right, which includes the text 'THE HONG KONG ASSOCIATION OF SPEECH THERAPISTS' and '香港言語治療師協會'. Below the logo, the main headline reads '40% DISCOUNT on FOUR scholarly journals ASHA offers'. A decorative line with ten pink pushpins separates the headline from a four-step numbered list. The steps are: 1. Receive the exclusive code emailed by the HKAST; 2. The code allows you to subscribe to all four scholarly journals at 40% discount. Offer applies only to first time subscription and electronic version of the journals; 3. Email subscribe@asha.org with -the title(s) of the scholarly journals you want to purchase -the exclusive code offered by the HKAST; 4. Pay and receive the journals you have purchased after membership verification by the HKAST and ASHA. At the bottom, a disclaimer states: 'Disclaimer: The HKAST connects members with ASHA. The HKAST takes no part, nor any responsibility, on the negotiation, and/ or the entering into any transaction between the HKAST member and ASHA. For enquiries, please contact us at hkast.external@gmail.com'.

**40% DISCOUNT**  
on FOUR scholarly journals ASHA offers
