# WE ARE HIRING!

## TOGETHER WE MAKE IT HAPPEN

SAMLOT Speech and Swallowing Clinic was founded in 2009. We uphold the vision of “Feel for others, Serve with Heart”, providing high quality and professional services to everyone in need. SAMLOT Satellite Clinic has been newly launched to offer services in wider districts, reaching out to more people in need.

### Job Description

We are now recruiting **Full-time / Part-time / Project-based Speech Therapists**. We offer flexible schedules with the most convenient working location for our speech therapists. Individuals will be matched with the optimum role in light of their personality, values, and lifestyle. We are looking for speech therapists who possess the quality of:

- **FLEXIBILITY:** willing to take on new challenges and make adjustments to suit transitions
- **LEARNING CAPACITY:** open and willing to learn new things, within and outside of the industry
- **INNOVATION:** able to move with the times and develop new ideas
- **PASSION:** in love with the job of a speech therapist

### Requirements

- Bachelor degree in Speech and Hearing Sciences (HKU) or equivalent
- Fluent in Cantonese, English and Mandarin
- Fresh graduates and experienced speech therapists are welcome
- Full-time / Part-time / Project-based applicants are welcome
