

WE ARE HIRING!

Full Time

SPEECH-LANGUAGE THERAPIST

ChildPsy Assessment & Learning, a private pediatric clinic located in an exclusive educational/residential community of Hong Kong, is seeking a Speech-Language Pathologist to accommodate an expanding practice. We serve preschool and school-age children with developmental and learning needs.

The ideal candidate will have the following:

- **Recognised degree or equivalent in Speech Language Pathology/Therapy**
- **Practicing certificate or license in Speech and Language Pathology**
- **Minimum 1-year full-time experience working in a pediatric setting (school/clinic)**
- **Native in English and Cantonese (Mandarin is highly preferable)**
- **Experience working with children from international schools is preferred**
- **Provide individual and group therapy in clinic and school settings**

To apply, please send your resume and expected salary to info@childpsy.com.
