Igniting Learning Journeys
啟育學習旅程

The Child Development Centre (CDC) is a team of dedicated professionals providing education, therapy and assessment plus family and community support for children aged between birth and six years old with special educational needs. For further details about our organisation, please see our website: www.cdchk.org.

Responsibilities:

- Be able to conduct individual and group therapy.
- Be part of a multidisciplinary team, lead and contribute to meetings with both staff and parents.
- Write assessment reports and devise programme goals.
- Provide in service training to parents, colleagues and other professionals.

Requirements:

- Internationally-recognised degree or equivalent in speech and language pathology/therapy.
- Current Hong Kong work visa desirable.
- Minimum of two years experience in paediatrics with a special interest in pre-school children with special needs preferable.
- Familiarity with the P.E.C.S. system an advantage.
- Fluency in written and spoken Chinese is highly desirable, and fluent English is essential.
- Excellent communication skills, a strong work ethic and a positive attitude.
- Be flexible and adaptable and work well under pressure.

Job Package/Benefits:

- Paid professional development opportunities.
- Medical and dental benefits.
- Five-day working week (may include Saturday and or early evening).
- Friendly working environment.

Please submit your application letter and full resume with availability, current and expected salary directly to hr@cdchk.org. Please quote the post you are applying for in the subject line of the email.

Candidates not invited for an interview within two months may consider their applications unsuccessful. We are an equal opportunity employer. All information received will be kept in strict confidence and used only for employment-related purposes.
