

## **Recruitment: Freelance Speech Therapist (言語治療師)**

### **About Edge Development Centre:**

- Provides comprehensive clinical and diagnostic services including screening, assessment, individual and group therapy
- Specializes in pre-school and school-aged children services
- Offers outreach support services at educational institutions and community centers
- Collaborates with schools, NGOs and families to provide holistic developmental support
- Supports evidence-based practice and a multidisciplinary approach to therapy
- Strives to work closely with parents, caregivers, teachers, and other professionals to support children's learning and development
- Committed to inclusive practices and serving diverse communities

### **Job Descriptions:**

- Provide relevant assessment & treatment for preschool and school-age children in individual and group therapy basis
- Conduct comprehensive speech and language evaluations and develop individualized treatment plans
- Provide on-site services for school projects and educational institutions
- Complete professional documentation including assessment reports and progress notes
- Deliver professional talks and training for caregivers, teachers, and other professionals
- Collaborate with multidisciplinary teams to ensure comprehensive care
- Maintain accurate records and ensure compliance with professional standards

### **Requirements:**

- Holds a recognized Speech Therapy/Speech and Language Pathology degree from a local university or equivalent
- Fluent in English and Cantonese (Mandarin is a plus!)
- Good command in written and spoken English and Chinese
- Able to work independently and collaboratively

- Available to offer Cantonese speaking therapy while English speaking therapy will be an advantage
- Experience in supporting preschool and school-age children is preferred
- Commitment to inclusive practices and serving diverse communities
