CALL FOR PARTICIPANTS!

Common patterns of Flexible/Fibreoptic Endoscopic Evaluation of Swallowing (FEES) use among healthcare professionals: an international survey

Are you a phoniatician, Ear, Nose and Throat doctor, Speech and Language Therapist or nurse and you work with people with dysphagia? Do you use FEES? Do you base your intervention/care on the information gathered from FEES?

Join our survey and help us investigate common patterns, difficulties, barriers and positives of FEES in the care of people with dysphagia
