

Join the Team: Speech-Language Therapist (English) (Bangkok Based)

At Sunny Start, we believe in giving every child a "Sunny Start" through personalized, holistic, and compassionate care. We are known for our strong partnerships with international schools and our collaborative approach between therapists, teachers, and parents.

We are looking for a Full-Time English-Speaking Speech-Language Therapist who is passionate about making a real difference in the lives of children and who thrives in a dynamic, multidisciplinary team environment.

The Role

- Working with children and adolescents aged 3–16 years.
- Assessing and treating a variety of developmental speech and language disorders.
- While our main centers are in Phatthanakan, this role involves working directly within school environments. You should be comfortable commuting between locations during work hours to support our students where they learn.
- Work 40 hours per week (mutually agreed schedule).

What You'll Do

- Design and deliver individualized therapy programs that make learning "fun" and effective.
- Collaborate closely with our admin team, school teachers, allied health professionals, and parents to ensure a unified support system for every child.
- Provide clear, empathetic communication and helpful session notes to families.
- Integrate therapy goals into the student's daily school life.
- Maintaining accurate and up-to-date documentation on client progress, including reports and session notes.
- Creating shared resources for the practice and completing assigned tasks regarding outreach and educating the public about therapy services.
- Attending meetings, conferences, or training sessions as required by the Employer.

What We're Looking For

- A Bachelor's degree or higher in Speech-Language Pathology with valid proof of qualification.
- Full English proficiency is required to effectively communicate with our international school partners and diverse families.
- Proven experience in treating developmental speech and language disorders. Previous experience in a school setting is highly preferred.
- A true team player who is organized, flexible, and possesses "genuine compassion" for the families we serve.

Background Check: Candidates must have no criminal records in any country of residence.

Benefits & Why Join Us

- Professional Support: * Reimbursement for Professional License.
 - Professional Development Support: Up to 2,500 THB/year for approved training.
- Annual Leave: 7 days paid leave.
- *Transportation allowance provided.
 - Social Security Insurance.
 - Personal Leave: 3 days (per Thai Labor Law).
 - Holidays: Approx. 15 days annually (Major Thai public holidays + Company holidays).
 - Sick Leave: Per Thai Labor Law.
